Queries	Answers.
1) Is the amount of compensation, viz., Rs 512 now proposed to be paid included in the Sum of Rs 8000/- Sanctioned in G.O. No: 6011-3A/H 602 & 12/2/01?	These sites are not included in the estimate of Rs 8000/-.
2) How much of the Sum Sanctioned remains available.	Rs 1272/- is still available and the amount of compensation, viz., Rs 512/- may be debited to this available amount.
3) If the sites now proposed to be acquired are, as apparently stated, those whereon the houses were already acquired, why were not the sites also acquired then?	It is not known when the houses on these sites were pulled down by the owners. They applied for license to build on them again and this was refused. They therefore now request that their sites may be acquired if license to build can not be granted. It is

very necessary that no more buildings should be allowed to be built in that locality as it is under contemplation to acquire all the remaining houses with a view to improve the sanitation of the palace buildings.
